BEEES KEYS

Learn the piano key names through play

These worksheets are about HIGHER and LOWER, the first thing a beginner's ear can hear. Naming the keys is what comes next, and that is the whole job of Bees Keys: a bee flies across the screen carrying a note name, and your student taps the matching key before it escapes. Free, with no ads. Bees Keys Pro is a one-time unlock that adds play on your own piano, by mic or MIDI.
