BEEES KEYS

Learn the piano key names through play

This board and these cards connect HIGHER and LOWER with right and left on the keys. Naming the keys is what comes next, and that is the whole job of Bees Keys: a bee flies across the screen carrying a note name, and your student taps the matching key before it escapes. Free, with no ads. Bees Keys Pro is a one-time unlock that adds play on your own piano, by mic or MIDI.
